READ THIS!!! IMPORTANT INFORMATION ABOUT THE BIKE PARK
- Use of the Bike Park involves the risk of injury. You control the degree of risk you will encounter in using the trails and features in the Bike Park.
- We do not allow use of the trails for mountain rescue or snow safety patrol duty or at the end of the season. Please make outdoor activities safe in your ability level. Helmets are available at the Bike Shop and paddling is strongly recommended.
- Wear appropriate gear. Bring a trail map.
- All mountain bikes and ATC mountain bikes are recommended. The Bike Park is not recommended for first-time riders without proper instruction.
- We ask that you not leave the trails and features in the Bike Park without a permit.
- No uphill riding or hiking on downhill bike trails.
- The summit trail is a singletrack trail. Please respect all users and riders on this trail.
