In this Release Agreement the term "**mountain biking**" includes use of all Silver Star mountain bike parks, trails and other facilities and all mountain bike activities including guided descents, clinics, lessons and competitions.

ASSUMPTION OF RISKS

Mountain biking takes place on steep, rugged and challenging terrain and features, and will expose the rider to many risks, dangers and hazards. Falls and collisions occur frequently. Helmets are mandatory in the Bike Park. Full face helmets and other protective gear are strongly recommended.

As with many adventure sports, riding in the Silver Star Bike Park involves the risk of injury, including serious injury, head injury, paralysis or death. The risk of injury increases with the degree of difficulty of the trail and the speed of descent. Although the risk of injury can never be eliminated, the rider can manage the risk through controlling speed and choosing terrain appropriate for the rider's skill and experience. Orientation sessions, lessons, clinics and coaching offered through the Silver Star Bike Park will also assist the rider in managing the risk of injury.

RELEASE OF LIABILITY

I agree to waive any and all claims and to release Silver Star Ski Resort Ltd and its officers, directors, employees, instructors, representatives and contractors (hereinafter "the Releasees") from any and all liability for any loss, damage, expense or injury, including death, that I or my next of kin may suffer as a result of mountain biking at Silver Star or my use of or presence in the Silver Star Bike Park, due to any cause whatsoever, including negligence, breach of contract or breach of any statutory or other duty of care, including any duty of care owed under the *Occupiers Liability Act*, RSBC 1996 c. 337 on the part of the Releasees. I understand that negligence includes failure on the part of the Releasees to take reasonable steps to safeguard or protect me from or warn me of the risks, dangers and hazards of mountain biking.
